Job Announcement

Now Hiring for Seasonal Utility Worker Positions
$20.00 - $23.00/hr. (depending on experience)

Mukilteo Water and Wastewater District is accepting applications to fill multiple full-time seasonal utility worker positions. These positions are temporary and will end at or before 5 months, depending on the selected candidate's schedule.

The positions, under the direction of the department supervisor, perform a variety of manual labor tasks; assisting with routine maintenance of the District owned facilities, grounds, vehicles, and any other tasks assigned. This position uses a variety of hand/power-operated tools and equipment.

Duties and Responsibilities: The following is a list of some of the duties and responsibilities for this position.

- Performs general maintenance of wastewater treatment plant grounds including mowing, weeding, pressure washing, painting, janitorial, scrubbing, basic carpentry and mechanical repairs, and other duties as assigned.
- Maintain, clean, and paint fire hydrants, blow-offs, valve markers, and meter boxes.
- Operate small power tools required to complete the maintenance of water and wastewater systems.
- Maintain a safe work environment including utilizing appropriate safety devices and equipment.
- Other related duties as assigned.

Work environment: Duties are primarily performed outdoors requiring physical effort to perform manual labor, lifting in excess of 50 pounds is required.

Requirements: Applicants must have a valid Washington State driver's license and a good driving record. Driving record abstracts are required prior to the first day of employment.

To apply: Applications will be reviewed, and interviews scheduled periodically. The job description and employment application are available by visiting our website at www.mukilteowwd.org. If you have questions, please contact Kendra Hovis at (425) 355-3355 or hr@mukilteowwd.org.

The District is an Equal Opportunity Employer and maintains policies for a drug-free and tobacco-free environment.
