

ONLINE CAREER EVENTS: Jobs for Clean Water

Interested in jobs that protect human health and the environment?

Join King County staff members for a virtual event to explore careers in clean water. Professionals will be leading short sessions to share details of their job, their career story, and advice for getting hired.

Examples of careers in this field:

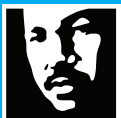

- **STEM:** Civil Engineer, Environmental Engineer, Water Quality Analyst
- **Trades:** Mechanic, Treatment Plant Operator, Electrician
- **Communications:** Community Relations, Environmental Educator, Project Manager

We are offering three online events:

Saturday, March 27
10 a.m. – 12:30 p.m.

Saturday, April 10
10 a.m. – 12:30 p.m.

Saturday, April 24
