

UNIVERSITY of WASHINGTON
SCHOOL OF PHARMACY

CALLING ALL HIGH SCHOOL STUDENTS!

Students in grades 9-12 as of Autumn 2021 are eligible to apply to this four-day summer program exploring pharmacy as a career option.

DID YOU KNOW?

Careers in pharmacy consistently rank at the top in the U.S. for salary, job satisfaction, growth opportunity, and work-life balance. The demand for well-trained pharmacists continues to grow.

GET AN INSIDER'S PERSPECTIVE

Learning, eating, and hanging out in the same places Huskies do, you'll get a true sense of what it's like to be a UW student. UW School of Pharmacy faculty and students will virtually lead hands-on activities and interactions with pharmacists & pharmacy students. You'll get an introduction to pharmacy practice and explore the many ways a pharmacist can improve a person's health.

Spoiler Alert: Pharmacists do WAY more than dispense medications.

DATES

July 23, 30 & August 6, 13

Daily, 9:30 AM - 1 PM

All programming and activities will take place virtually via ZOOM.

COST

\$80, which includes zoom courses, activities, and materials for hands on at home participation.

Limited scholarships likely to be available.
