Dear Penny Creek Families,

We hope you had a restful Spring Break last week and have had opportunities to enjoy this nice weather we are having! Our remote student's supply material pick up was a great success this month. Thank you for ensuring your student's materials are picked up during these assigned days.

The best method of communication to reach your student's teacher, is to send an email. Some of our remote teachers are not onsite and our hybrid teachers are providing instruction to students in the building. If you are unsure of your student's teachers email, please view our staff list webpage at <https://www.everettsd.org/domain/1392>.

So you know, we learned this week, that Washington State school will not hold state testing this spring. This means students will not be taking the Smarter Balanced Assessment (SBA) or the Washington Comprehensive Assessment of Science (WCAS) this spring. We feel this is a wise decision at this time. If we learn anything more about plans for state testing in the future, we will let you know.

Take care and enjoy the weekend.
