Dear Penny Creek Families,

You are invited to our Penny Creek Natural Leaders "A Multi-Cultural Support Group" meeting on Thursday, January 28th at 6:00 p.m. A special guest speaker, Kristie Gooding, EL GLAD Coach, will share information on acquiring an Imagine Learning License for parent use at home. This program helps with English skill building.

We are also proud to report that we reached a school goal of 65% of all 1st through 5th graders completing 30 or more minutes of iReady instruction in Reading and Math. This is tremendous and we believe will make a positive difference for student learning this year.

And, as a reminder, if you have not completed the 2020-2021 Annual Student Update Form online, please submit as soon as possible. An email was sent from the District on December 2, 2020 with a link to the form. We ask that this information be updated each year to ensure that we have the most current contact information.

How do I get started?

Log into the Everett Public Schools Home Access Center (HAC): <https://hac.everett.k12.wa.us>. HAC is different than the Everett Public Schools Website and can be found on the website by going to Grades, and then clicking the Info Button. Inside Home Access Center, you will start in the registration area where there are two tabs, Demographic and Update Enrollment. Click on Update Enrollment and look for 2020-2021 Annual Student Update Form, next to the form name, there is a link with the word Start. Clicking on Start will begin the process, and you will need to confirm the link to your student by entering their birthdate.

Each student has a unique link to the update form in HAC, and you should only update one student at a time.

Have a wonderful weekend,
Penny Creek Elementary
