Dear Penny Creek Families,

What an incredible week it has been! We just finished welcoming our last three classes. It has been nice to see students back in the building and hearing their excited voices.

Remember to save the date for March 24 and the week of March 29 through April 2. Elementary students will be dismissed early at 1 p.m. Teachers will be preparing on March 24 and parent conferences will be conducted via phone or Zoom video during the week of March 29 through April 2.

Please see the below message for a survey to parents of students with special needs:

This survey was made by Margaret Riker, an Everett High School student, for parents of students with special needs.

The purpose of the survey is to investigate how the quality of the special education of students with special needs and the educational role of their parents has changed during the COVID-19 pandemic and school closures.

Margaret's older brother is autistic and has experienced many wins and losses throughout his education. Her family has stuck by his side through some truly difficult times. She believes that parents should be able to express their opinions on matters that affect their child's education.

*This survey will take 10-15 minutes to complete. The first page of the survey includes more information about its contents. This survey is **anonymous** and does not require any information that would potentially identify you or your child. Your participation is **voluntary**, so you may choose not to take it or to opt out of it at any time. You can also participate in an interview to elaborate more on your experiences during remote learning. **For a chance to win a \$100 Amazon gift card**, complete the survey and follow the directions at the end of the survey.*

Margaret's contact information: mriker@stu.everettsd.org & (425) 374-9315

Thank you.

Have a wonderful weekend,
Penny Creek Elementary
