Dear Penny Creek Families,

As you know we recently hosted an all school live stream event called NED's Mindset Mission. We trust your student was encouraged by the show which taught about having a positive Mindset for learning and life!

Mindset Mission yoyos are still available for purchase to support the free show and message. To purchase one, click [here](#). If your student has already purchased a yoyo, here is an important link to help them get off to a good start with proper string length adjustment, click [here](#).

Additionally, here are a couple of our favorite follow up home resources from the Mindset Mission website. You may want to use these with your child as they are designed to go hand in hand with the program.

[*Parent Encouragement Notes*](#)

If you'd like additional resources they are available [here](#).

And don't forget to ask your student what they learned in the show about having a growth mindset from YET the Yeti, Captain Kindly and during NED's visit on the spaceship! Educating together!
