Dear Penny Creek Families.

We have two important messages for you today.

(1) Our First through Fifth grade students will begin the iReady diagnostic test in Math and Reading starting on Monday, September 21. For important information about this please click [HERE](#) or view the attachment.

(2) Our District Tech Support Team has been working hard to resolve Zoom issues. To try and help alleviate these issues, try some of the following:

- Shutdown (power button) and restart your Chromebook every morning
- Ensure you have a strong WIFI signal on Chromebook.
- Ensure your computer is fully charged and plugged into a power outlet
- Ensure the computer is positioned to provide proper ventilation to avoid CPU over heating
- Close all unused/non-active browser tabs in your browser
- Turn off your camera in Zoom
- Ensure your full name is displayed in Zoom
- Mute your microphone in Zoom, use microphone only when speaking
- Use the Zoom chat feature
- Use the Speaker View only, not the Gallery View in Zoom

Have a wonderful weekend.

Marti Shefvland
