- 

Social Distancing

Personal bubble space

Look for these markers to show where to sit or stand while waiting for your teacher

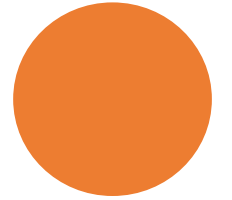

Wear a Mask

- An adult will tell you when it's safe to remove your mask.
- The only time you remove your mask is to eat meals.

Handwashing

- **Wash your hands frequently!**
- Before you get on the bus or travel to school
- After using the restroom
- Before and after lunch
- After recess
- Any time you touch your face or mask
- If no sink or soap is available, use hand sanitizer

Care Roomif a child becomes sick

- The CARE Room is a special room with special signs outside of it.
- Only go in here if an adult takes you.

Arrival

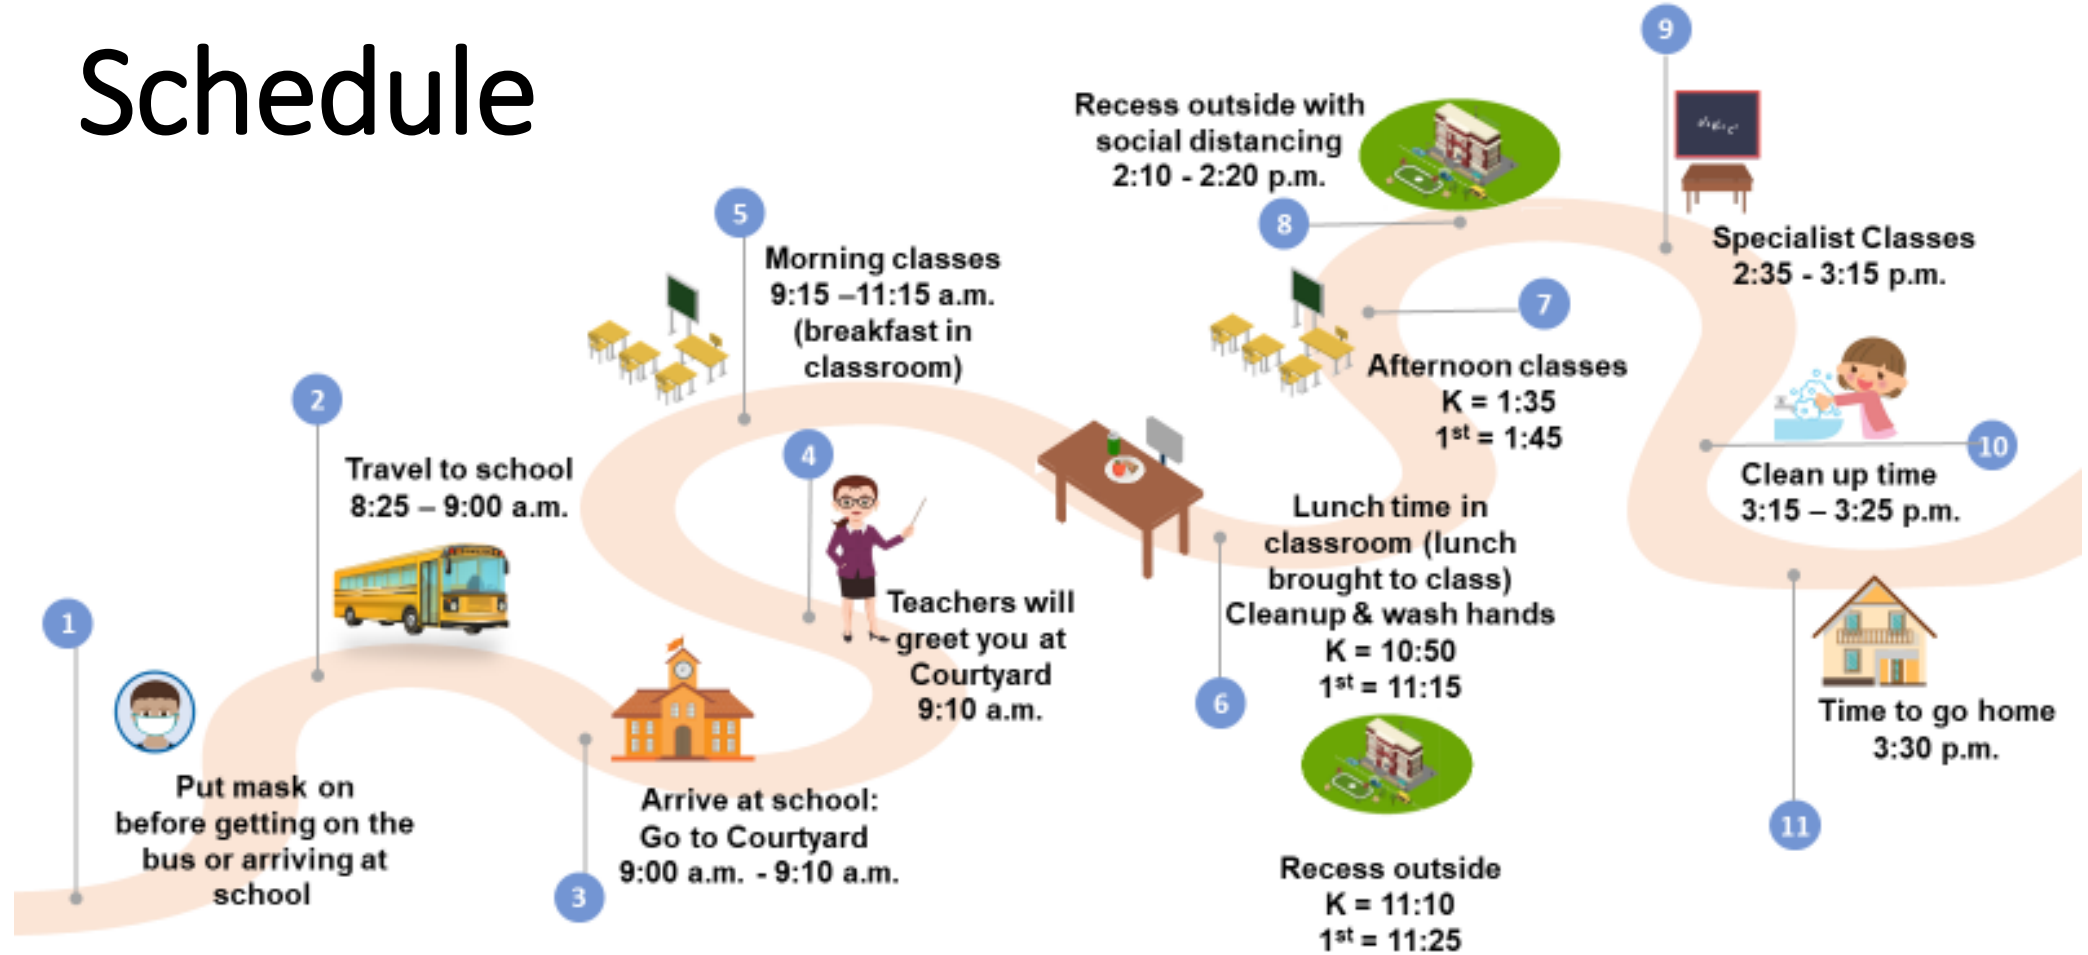

Line up with your class.

Remember to leave a big space of 6 between you and your friends.

Schedule

Specialist Classes

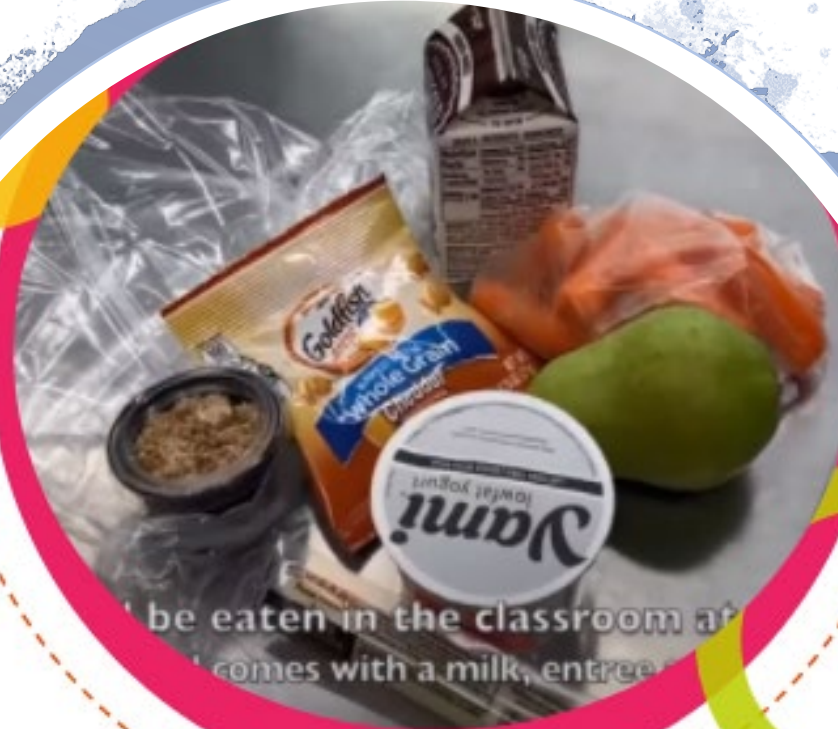

- Specials classes will be online, either on one of your hybrid days or on one of your days at home.
- If you meet your specials teachers online on your days at home, you will have other independent activities to do during that time at school.

Breakfast & Lunch

- Breakfast and lunch are available for all students.
- Grab and Go meals will be delivered to classrooms.
- Report allergy concerns to Food Services

be eaten in the classroom at
comes with a milk, entree

+

Recess

- Wear your mask.
- Each class will be assigned to one area/zone.
- Zones rotate each day
- Play only with students in your class.

Dismissal
