# Pro Tips to Join the Zoom Conference

1) ALWAYS check Canvas for the meeting link and time. Click the link :)
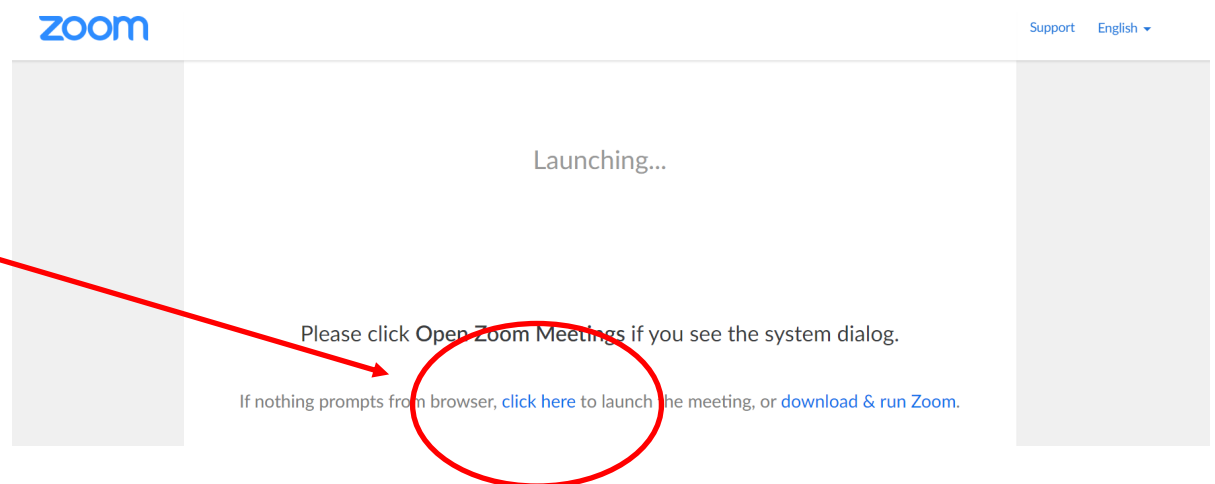

2) You will either have a download begin automatically, or you will see the following screen:

Launching...

Please click **Open Zoom Meetings** if you see the system dialog.

The district does not allow the app to download; that's ok!

**You may have an option to download again—do it!**

3) You may also have the option to "launch the meeting" - select that option

Please click **Open Zoom Meetings** if you see the system dialog.

If nothing prompts from browser, **click here** to launch the meeting, or **download & run Zoom**.

4) Another line of dialogue will open up that says "Join from your browser" - it doesn't matter if it's in the second line or third line, CLICK IT!

Please click **Open Zoom Meetings** if you see the system dialog.

If nothing prompts from browser, click here to launch the meeting, or download & run Zoom.

If you cannot download or run the application, join from your browser.

5) You will then get a screen telling you that the meeting hasn't started yet—great! Once I begin the meeting, you will be asked to pick a screen name (<u>use your name</u>) and join the meeting!
