Art Teacher - Mrs. Versdahl - mversdahl@everettsd.org

What's going on...

Kinder & 1st Grade:

This Month Kinder and 1st Grade Students will be working on a special Glow Show project, creating glowing fish and glowing Sea Turtles for the 3rd Annual Glow Show this Spring.

2nd & 3rd Grade:

Moving on to the Element of Color, 2nd and 3rd Graders will be creating Painted Color Wheel Lions. They will be reviewing primary and Secondary Colors.

4th & 5th Grade:

Every school year 5th Graders have a state issued art project they work on called One-of-a-Kind Shoe. This project involves students inventing and designing a shoe that involves not only the Elements of Art and Principles of Design , but also encourages students to be creative with what their shoe can do.

While 5th graders work on this, 4th graders will be working on a landscape that they will paint using markers as the palette or color.

District Art Show

Mrs. Versdahl has been randomly selecting student artwork, made in the art room this school year, to be displayed at the upcoming annual District Elementary Art Show. If your child's art is selected, and they are interested in participating, you will receive an important permission form from Mrs. Versdahl in January.

Permission forms must be returned by no later than Friday, January 30, for the artwork to be included. The art will be displayed at the District Office (Community Resource Center), and students and their families will be invited to attend an official Art Show on March 5 from 6-7 p.m. Watch for more info to come from Mrs. Versdahl!

Many Thank Yous!

Thank you to all the students and families who gave me holiday gifts! From student/family notes and drawings, to sweet treats and gift cards, your holiday well wishes were so kind and appreciated. Thank you!
