## What's going on in Art Class...

### *Kinders & 1st grade - The Element of Art - COLOR and VALUE*

- Kinder and 1st grade has been diving deeper into Colors and Value, exploring and discussing how colors can show emotion, as well as experimenting with tints and shades. Currently they are working on their own version of "A Starry Night" using all sorts of AMAZING colors!

### *2nd and 3rd Grade - Art Mediums of Drawing & Clay*

- 2nd and 3rd graders are just getting started with their clay projects. They are learning about different kinds of clay, how clay works, and even about the Kiln at Cedar Wood. They are also brainstorming ideas for their clay designs.

### *4th and 5th Grade - The Principles of Design - EMPHASIS and MOVEMENT*

- 4th and 5th graders have been wrapping up their Monochromatic Graffiti project. Mrs. Versdahl has some "glowing" plans in the works for these amazing art pieces, so don't be surprised if they don't come home right away with students... Motion in the Ocean showing Movement is next!

### *The Everett School District Art Show Open House...*

*Thanks to all the students and their families who attended the Art Show Open House on Feb. 29th. Student art will remain at the District Office for a little while longer. Students will receive their art, and a special certificate, once art is returned to Cedar Wood. In the meantime...*

*Check out student art online!*
