**Congrats too all the Amazing Cedar Wood students' whose art was selected and on display at the District Art Show!**

Art and special certificates will be returned to students very soon!

## Volunteer Corner:

Upcoming Volunteer Opportunities...

- End of May - Helping Hang Art for the Glow Show!
- June - Field Day: Facepainting in the Art Room!

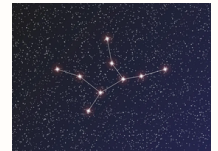

## 4th & 5th Grade:

Students have been busy learning all about Pointillism, creating art with dots of paint. They also have been reviewing the parts of a landscape, so they can create their own Pointillism style landscape.

## 2nd & 3rd Grade:

Students have been learning all about stars and constellations to help them create their own star-filled glow art for the Spring Glow Show. Next up, students will learn all about weaving, and create a hanging masterpiece.

## Kinders & 1st grade:

Kinders have been learning all about the Element of Value by painting hearts in various tints and shades of blue. 1st graders have been completing their glowing Cat Astronauts for the Spring Glow Show. Next up, learning about the Element of Texture by creating an amazing texture collage.
