NOVEMBER ART NEWSLETTER

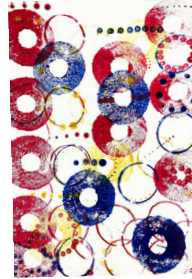

Cedar Wood Elementary - Mrs. Versdahl

WHAT'S GOING ON IN THE ART ROOM...

Kinder & First Grade...

Are finishing up learning about THE ELEMENT OF SHAPE while creating their Shape Robots. Next up... they will be learning about the ELEMENT OF COLOR, primary and secondary colors, and also about the Artist, Seurat, and his AMAZING dot art! That's the title of their next art piece - Seurat's Dots!

2nd and 3rd Grade...

Have finished their Abstract Expressionism Collages. They worked so hard to create three original art pieces with different art mediums, which they then cut into pieces to make their collage. Next up... they will be exploring the ELEMENTS OF LINE AND SHAPE, as well as printmaking skills, while creating a Painted Line Castle.

4th & 5th Grade: Are finishing up their Monochromatic Graffiti, and will be moving on to a special clay project that will be for the 3rd Annual Glow Show!

VOLUNTEERS NEEDED...

Volunteers are needed to help with hanging up a backdrop for Kindergarten's upcoming December Music Program. If you are available on December 8th, 9th, and 10th between 8:30-9:30, or after school dismissal on those days, please e-mail Mrs. Versdahl. mversdahl@everettsd.org

REFLECTIONS DEADLINE:

Reflections submissions are due by November 3rd. Students can turn their creation and form in at the office. Questions? E-mail the Cedar Wood Parent in charge: reflections@cedarwoodpta.org
