General Information

There are **two** types of student parking permits issued: **Main Lot** and **Upper Lot**.

All students who are enrolled in a **zero-hour** class and who purchase a parking permit by August 30th will be issued a Main Lot permit. Note: Zero-hour Juniors will be guaranteed a Main Lot permit only while enrolled in a zero-hour class.

SENIORS who purchase a permit on or before August 30th will be assigned an impartial, randomly generated number and ranked in order from lowest to highest. This list will be generated on September 5th. Main Lot permits will be issued from this list until they are exhausted, and remaining Senior requests will be issued Upper Lot permits. Students will receive their permits on September 6th. These seniors will have the option of remaining on a waitlist for a Main Lot permit, or they can request a refund (at any time) for the \$20 difference. NOTE: Students will be moved to the end of the waitlist if they request a refund.

JUNIORS who purchase a permit (initially eligible for Upper Lot only) on or before August 30th will be assigned an impartial, randomly generated number and ranked in order from lowest to highest. Any remaining Main Lot permits will be issued from this list until they are exhausted (at the additional \$20 cost), and further remaining Junior requests will be issued Upper Lot permits. Any juniors who do not receive a permit from the random number process will be placed on a waitlist for an available Upper Lot permit. These juniors will have the option of remaining on a waitlist for an Upper Lot permit, or they can request a full refund at any time. NOTE: Students will be moved to the end of the waitlist if they request a refund. Students may also choose to carry over their payment to the next year to be guaranteed a Main Lot permit for their senior year.

SOPHOMORE students will be eligible to purchase any remaining Upper Lot parking permits after September 11th.
