Imagine Language & Literacy is coming home

Imagine Language & Literacy is an award-winning literacy and language software program for students of many abilities and needs. As your child engages in the program, they can read, listen, and sing along with thousands of learning activities, videos, and games specially designed for kids.

Now your child can log in to Imagine Language & Literacy at home—and pick up right where they left off in school.
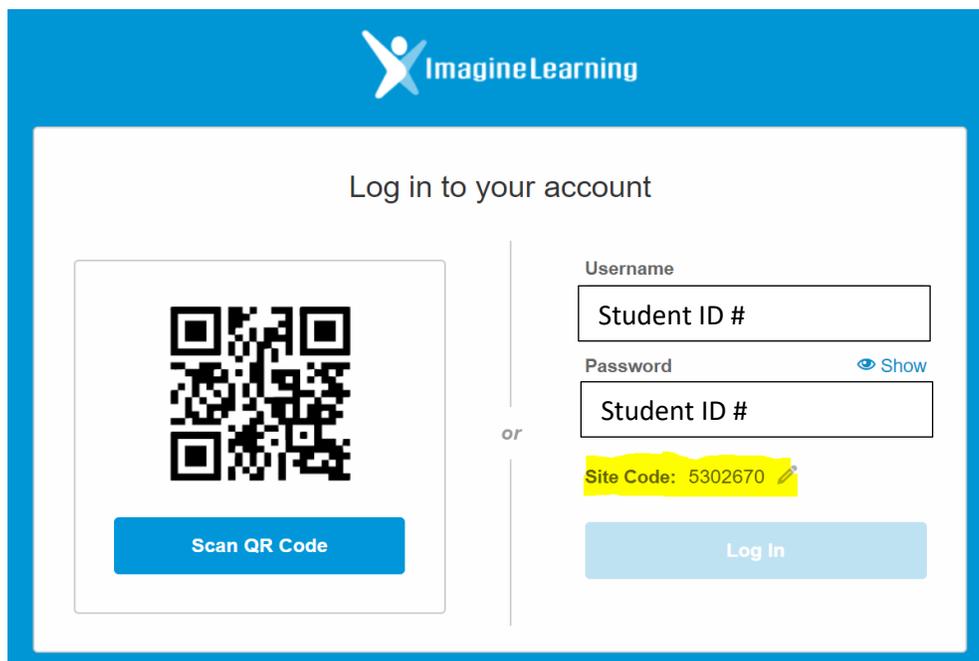

Start today!

Visit **app.imaginelearning.com**

Log in using the information provided by your child's teacher.

For the program to work as intended, only children already assigned to Imagine Language & Literacy at school should use it at home.

Home access is possible on computers or tablets, including PCs, Macs, iPads, Chromebooks, Android tablets, and Windows tablets (no smart phones). For a complete list of system requirements, visit **support.imaginelearning.com**.

For the best experience in Imagine Language & Literacy, please use headphones (or speakers) plus a microphone.
