

From the Principal

Hello Garfield Families,

February 1 marks the Lunar New Year and the year of the Tiger. The Lunar New Year is seen as a time of reunion and rebirth, as winter ends and spring begins. This is fitting during this time, as we continue to persevere through these challenging times to take a moment to reset, restart and focus on what is most important. I continue to be so proud and so impressed with our students and families. You have done an amazing job, persevered and have really showed what Tigers are made of - courage and resilience!

We are completing our Winter i-Ready diagnostic tests in Reading and Math. These are important tools for us to ensure each student is on their appropriate learning path, being challenged and growing. Here at Garfield, we have high expectations coupled with high levels of support. These diagnostic tests help us to identify what students need to succeed and achieve at high levels.

What a special treat! We were able to invite the Everett Fire Department crew that was first on the scene in a recent fire in North Everett that impacted many of our students and families. Students were able to meet these heroes and to say THANK YOU! It was a really special event.

The week of February 7-11 is National School Counselors Week! We will be celebrating our extraordinary school counselor and social worker, Mrs. Barb Dubin. We are so grateful for all she does for all of us and our community here at Garfield! If you see Mrs.

Dubin make sure to say hello and thank you!

Warm Wishes,

Mrs. Kathleen Stilwell

Kindergarten registration begins in March

Do you have a child who will be 5 years old by Aug. 31, 2022? Registration begins on March 1, 2022. You can complete enrollment forms for kindergarten [online](#)! A [step-by-step parent walkthrough video](#) is also available as a resource.

Dual-language Spanish Immersion Program

The dual-language Spanish immersion program at Emerson Elementary School is an option for fall 2022. Families with children entering kindergarten will have the option to choose the dual language strand. This program gives elementary students an opportunity to complete the Everett Public Schools curriculum in a nontraditional and exciting way by immersing them in Spanish language and culture from kindergarten through twelfth grade. Students in the program will become proficient in both Spanish and English while learning the same curriculum content as their peers outside the program.

Priority will be given to students within the Emerson Elementary School attendance area. If a high number of students apply, a lottery will be conducted to select students. If the class is not filled from those in the Emerson attendance area, an additional lottery from beyond the school attendance area will be conducted.

Job opportunities!

Everett Public Schools is hiring many positions. Please share with friends and family who may be interested in joining our team. Visit www.everettsd.org/jobs for jobs posted and how to apply.
