Transitional Kindergarten

Everett Public Schools is offering Transitional Kindergarten for children who are not currently in an early learning program and are scheduled to begin kindergarten in the fall of 2022. It will focus on basic academic, social, and self-help skills to jumpstart qualifying students toward success in school. Students will be screened in December and early January and may qualify based on need. The Transitional Kindergarten classrooms will be located at several of the elementary schools in our district; sites will be determined based on enrollment.

The anticipated start date is Tuesday, February 1, 2022. Transitional Kindergarten will run through the last day of school, which is currently June 22, 2022.

To be eligible for Transitional Kindergarten, children must:

- be 5 years old by August 31, 2022
- live within the boundaries of Everett Public Schools
- not be currently enrolled in an early learning program
- demonstrate academic and/or social-emotional needs through a screening process

If you are interested and believe your child may qualify for this program, please visit our [website](#) and submit the [Interest Form](#). Forms must be received by December 20, 2021 for consideration. For assistance, contact Helen Cooley at (425) 385-4088 or the P-5 Department at (425) 385-4024.

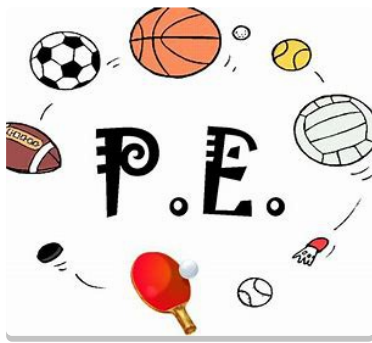

Kutz for Kidz

Kutz for Kidz is a Coverson family partnership with the NAACP, local school districts and community business to provide haircuts for students.

Kutz for Kidz supports low income children and families attending a Title I school, receiving free/reduced lunches or enrolled in the school's KIT program.

Kutz partners with local barbers and salons to provide these services.

To see if you qualify and to request a voucher, please contact Abby at amavers@everettsd.org

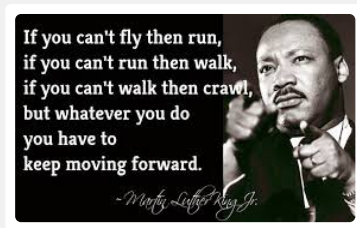

Garfield Families,

I am seeing an increase of students wearing boots to PE due to the weather. Please make sure your student(s) wear gym shoes on PE days or bring their gym shoes to change into on PE days.

This is a safety and maintenance concern.

Thank you,
Ms. Asper
