

# *Dream House*

Complete this assignment over the summer and then share it with next year's teacher!

# Floor Plan

*One the previous slide was a map called a  
floor plan.*

On it are labeled the measurements of  
the rooms found in the house. Use the  
floor plan to answer the questions.

# *Perimeter of the house*

Fill in the table with the perimeters of the following:

Kitchen:	Bedroom 2:
Bathroom:	Entry Hall:
Bedroom 1:	Living Room:
Dining Room:	Back Porch:
Covered Porch:	*Challenge* Outside of the house:

# Area of the house

Fill in the table with the areas of the following:

Kitchen:	Bedroom 2:
Bathroom:	Entry Hall:
Bedroom 1:	Living Room:
Dining Room:	Back Porch:
Covered Porch:	*Challenge* Outside of the house:

# *Flooring*

Decide what type of flooring you will use in your house. What is the **total** cost for flooring for your whole house? Show your work on the next slide.

*Hardwood*  
\$5/sq ft

*Tile*  
\$4/sq ft

*Carpet*  
\$3/sq ft

## *Flooring*

Show the choices you made and your final total cost on flooring.

# *Furniture*

You have \$5,000.00 to spend on furniture. What will you buy and where will it go?

*Couch* \$400

*Bed* \$300

*Dresser* \$200

*Table* \$150

## *Furniture*

Show the choices you made and your how you spent your money.
