- Care about climate change? Healthcare or the cost of education among other issues? Did you know that the Washington state passed a law last year that allows 16 and 17 year-olds to preregister to vote? Yep, Its true! You do not have to wait anymore to register to vote! It is because only 66% of young people between 18 and 24 voted in the 2018 election. WE CAN DO BETTER THAN THAT. Also, if you are 18 it is not too late either. Please see a history teacher for a QR code to register on your phone, online form address or paper copy of a registration form! Let's do this Bruins!
- Picture retakes are in, come to the activities center to pick them up!

*Quote for the day: True friends are those rare people who come to find you in dark places and lead you back to the light. If you find them, keep them close.*
