- Did you know that the library is open for Bruin Study Lab until 3:30 on Tuesdays and Thursdays? Finish your homework, read quietly and get help if you need it. Freshmen and their NEW devices are invited to learn how to navigate cloud-based environments, check email and organize their academic life...digitally. Join your Lab Partners, Ms. Pimenta and Ms. Vasquez in the library today after school for Tech Tips and Trick. There is an Activity Bus to take you home afterwards.
- Are you able to fluently read, write, speak, and listen in a language other than English? If so, you should consider taking a World Language Assessment. Registration is open from September 16 to October 11. All students who wish to register for an exam must fill out a short questionnaire and pay a \$10 registration fee to Ms. Sandico in the treasurer's office. Students will be able to earn up to four credits, depending upon the level of proficiency demonstrated on the assessments in reading, writing, listening, and speaking. Additionally, students may meet the world language credit requirement for graduation and may qualify for the Seal of Bilingualism on their diploma. Questions? Please see Ms. Chinchilla or Ms. Claus.
