

Gateway Math RETAKE FORM

Name _____

Period _____ Date _____

Math Teacher _____

Unit/Topic _____

Parent Signature _____

Ideally, retakes should be completed before the next unit test. Check with your teacher for test retake deadline. You must complete all tasks listed below to be eligible for a retake. **Get the initials of your math teacher after you complete each task.**

Initials

Activity

- _____ 1) Finish or redo all assignments for the unit until all are at “meeting standard” or better.
- _____ 2) Make test corrections in a different color than you did the test following your teacher’s directions; have a quick conference with your teacher to go over these test corrections.

***If you need additional practice, you can get help at MASH or Study Hall, use the online textbook resources, get help from a parent or sibling, or look for other internet resources like Khan Academy.
