

EHS 2nd Semester Schedule Changes

An online format for students to submit schedule change requests

Schedule Changes are only made in the first 3 days of the Semester and for the following reasons:

If student is a senior and needs the class for graduation

If a student previously failed a class with the same teacher

If the student failed a prerequisite course

If the student has not taken the prerequisite for the course

There was a technical error with the schedule; i.e. missing a class period.

IMPORTANT: COUNSELORS NEED TIME TO WORK THROUGH REQUESTS, SUBMITTING MULTIPLE REQUESTS WILL SLOW DOWN THE PROCESS. IF YOU HAVE BEEN DENIED A CHANGE, DO NOT SUBMIT ANOTHER REQUEST - IT WILL AUTOMATICALLY BE DECLINED.
