

# Jackson High School Athletics

3-18-2021

Hello Parents/Guardians,

We have recently been approved to have fans attended sporting events in a limited capacity.

## **How does it work for families?**

For family attendance, each sports participant (athlete, coach, cheerleader) will be allocated four (4) wristbands for each game the day before competition (Football will only receive two (2) wristbands due to increased participant numbers). The bands will be given to the family members/supporters planning to attend the contest. Family members/supporters will be reminded to stay home if ill or showing symptoms of COVID or have been considered exposed to COVID. Student athletes will need to record the names of those who will be receiving wristbands for accurate attendance.

At the game, family members will present the wristbands at the ticket gate. Families will select an available seating section for the duration of the game that ensures they are distanced from other spectators.

## Fan/Spectator Expectations

Spectators will not bring in outside food or drink. Concessions will not be sold.

Spectators will wear masks at all times.

Spectators will remain socially distanced at all times, utilizing the marked seats.

Spectators will not congregate in common areas.

Spectators will have access to bathroom facilities.

Spectators failing to follow COVID safeguards will be asked to leave the premises.

A limited number of student fans will be allowed at Everett Memorial for the final football game. We will communicate this information at a future date.

We are so excited to have our Fans back. Go T-Wolves

Dani Mundell

Athletic Director
