

Here are the announcements for Thursday, January 13:

- Please check the Jackson home page for our latest announcement on our Schedule Correction Policy and 2nd semester classes. Your schedule reflects what you signed up for during spring pre-registration and normally is not subject to change. If you see there is a “hole” in your schedule, or you have failed a 1st semester class, or you’re a senior and need a class to graduate, please contact your counselor using the QR code on the Counseling page, via email, or stop by during lunches, before or after school. Please review the policy before asking your counselor for a change.
- Check out the Yearbook photo pages posted on the trophy cases by the Scoop THIS WEEK ONLY! Get a sneak peek and help make this year’s book amazing by making sure we get these pages right, before they go to print! See the QR code posted with the portraits to let the Yearbook staff know if you catch any errors.
- Congratulations to some of Jackson's academic teams. The Chess Team beat Edmonds-Woodway 3-2 this week and Hi-Q beat Meadowdale and Lake Stevens in a tight match. Great job, twelves!
