

2021 Virtual Talent Show Committee Information

Thank you for expressing an interest in joining the Talent Show Committee! This year, due to the pandemic and social distancing requirements, the show will be 100% virtual. The final production will be similar to a television variety show with all of the acts edited together into a 40-minute video.

The purpose of the annual Gateway Talent Show is to showcase the abundance of talented students that attend our school. Over the years, students have impressed us with their singing, dancing, acting and instrumental skills, as well as the ability to perform specialty acts such as magic, comedy and gymnastics. Because our school is overflowing with talent and so many students want to be part of the show, typically about 50% of the acts that audition are accepted into the final show. And this is where the committee members come in.

As a committee member, your responsibility will be to evaluate audition videos and express your opinion about which performances should be selected to appear in the final Talent Show video.

The process works like this:

- 1) You will need to complete and submit an online application form.
Click this link to find the Google Form for Committee Member Applications:
<https://forms.gle/PDbfLB7q8R54SDSK9>
- 2) Based on the information from the application form, a message will be sent to your school email account providing a Zoom link to the **audition meeting which will be held on Wednesday, May 5th at 2:30**. Only those who have applied to be on the committee will be admitted into the meeting.
- 3) During the audition meeting, you will view each of the audition videos and express your opinion as to whether or not you think the act should be in the show. Based on the recommendations of the committee members, the Talent Show advisors will make the final decision.

If you have any questions about the process, please email one of the advisors:

Mrs. Arango at darango@everettsd.org

Mrs. Werder at mwerder@everettsd.org

Note: If you submit an audition video, you may not serve on the committee as it would present a conflict of interests.
