- The AMC 8 math competition is almost here! The AMC 8 will be held Thursday 1/18/24 at 2:55 in room 309. The competition will end at 3:45. Make sure you have a way to get home. If you are a bus rider you can take the activity bus, if not, you will need to arrange a ride. Please see Mrs. Loewen in room 309 if you have any questions.
- Any Heatherwood student interested in participating in this year's musical production of Beauty and the Beast should visit bit.ly/hmsmusical1 for participation information and to register.

Students wishing to perform on stage as an actor need to take 2 steps. First, fill out the Google Registration Form. Second, sign up for an audition time in the choir/orchestra room. Auditions will take place on January 24th and 25th.

Students wishing to be on backstage crew, assisting with sound, lighting, props, costumes, hair and makeup, or publicity only need to fill out the Google Registration Form, but do NOT need to sign up for an audition.

See Ms. Mendoza, Mrs. Camp, or Ms. Seiger with any questions.
