

Penny Creek's 14th Annual

Mathquerade

Our yearly fall family math event!

During the week of October 26th-30th students will be able to make digital:

- Pumpkin Weight & Height Guesses
- Estimation Jar Guesses
- And solve Fall math problems

Thursday, November 5th between 12:00 p.m.- 5:00 p.m.

Penny Creek Families will drive thru to pick up student materials and prizes.

Just like Mathquerade every year, *students may wear costumes* during the pick-up. Costumes cannot have weapons, blood/gore, and must be elementary age appropriate and appropriate for a school setting.

We can't wait to see you all!
Have fun estimating and calculating!

Penny Creek Elementary

November Student Materials and Mathquerade Prize Pick Up

Thursday, November 5th from 12:00 p.m. – 5:00 p.m.

Please note: Kindergarten pick up dates are arranged by KK teachers

Families will be able to pick up materials anytime between **12:00 p.m. to 5:00 p.m.**

Social distancing guidelines will be followed at all times. Staff members will wear masks and gloves.

We need students and families to wear masks and remain in your vehicle.

Be sure to post a sign on the driver's side window with your child's name and the name of your child's teacher.

To enter, use the furthest east entrance. Loop around the back of the school.

The pick up location will be across from the portables.

Please view the map to follow the traffic flow for this month's pick up.
