School / Site	Proposed Project
Sequoia High School	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Eisenhower Middle School	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system Upgrade HVAC controls system Upgrade after hours intrusion detection security system
Evergreen Middle School	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade HVAC controls system Upgrade student information system
Gateway Middle School	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system HVAC controls upgrade Upgrade after hours intrusion detection security system
Heatherwood Middle School	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system Upgrade after hours intrusion detection security system
North Middle School	Upgrade student information system
Cedar Wood Elementary School	Add four new elementary classrooms Upgrade after hours intrusion detection security system Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system

School / Site	Proposed Project
Emerson Elementary School	Add six new elementary classrooms Replace flooring Expand parking lot Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Forest View Elementary School	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Garfield Elementary School	Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Hawthorne Elementary School	Upgrade after hours intrusion detection security system Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Jackson Elementary School	Replace elementary school Replace playground equipment Upgrade student information system
Jefferson Elementary School	Add four new elementary classrooms Expand parking lot Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Lowell Elementary School	Replace elementary school Replace roofing at playshed Replace playground equipment Upgrade student information system

School / Site	Proposed Project
Madison Elementary School	Replace elementary school Replace playground equipment Upgrade student information system
Mill Creek Elementary School	Add four new elementary classrooms Replace roofing at playshed Upgrade fire alarm system Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Monroe Elementary School	Add four new elementary classrooms Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Penny Creek Elementary School	Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade HVAC controls system Upgrade student information system
Silver Firs Elementary School	Add four new elementary classrooms Replace roofing playshed Replace flooring Upgrade fire alarm system Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Silver Lake Elementary School	HVAC controls upgrade Replace playground equipment Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system

School / Site	Proposed Project
Tambark Creek Elementary School	Upgrade student information system
View Ridge Elementary School	Add eight new elementary classrooms Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Whittier Elementary School	Replace locksets and keying system Upgrade technology infrastructure electrical systems Upgrade student information system
Woodside Elementary School	Add two new elementary classrooms Upgrade student information system
Maintenance & Operations, Memorial Stadium and Athletics	Replace locksets and keying system Upgrade technology infrastructure electrical systems HVAC controls upgrade at Maintenance & Operations building Replace synthetic turf and track at Memorial Stadium football field Upgrade after hours intrusion detection security system at Memorial Stadium
