

2nd Grade Newsletter

Ms. Mauldin's 2nd Grade Classroom

Dear Students and Families,

For the next two weeks we will be slowly introducing small group zooms only in the morning. Please be sure to watch my morning announcement video on Monday that demonstrates how to use the weekly slides. This will allow students to ease into the daily schedule for the year.

iReady Diagnostic Assessment Information:

Students will be doing the Diagnostic during our small group time only, unless otherwise directed. This coming week we will be taking the iReady Math Diagnostic Assessment.

- Why do we do the Diagnostic?
 - The diagnostic helps us to find out what students know and understand what they still need to learn.
 - It is important for the students to do the work on their own and do their best!
- It is important to:
 - Read each question and answer choice carefully
 - Use scratch paper or whiteboard to show your work
- The assessment is adaptive.
 - This means that questions will get easier or more difficult based on how students answered earlier questions.
 - Students will see questions they're unfamiliar with and that is okay!

See you next week!

-Ms. Mauldin

Below is important information to know about digital learning at home:

For Students:

- **Every Monday by 9:00am**, I will post a Weekly Checklist to help guide your child at home on Canvas and in our Google Classroom.
- **Every day by 10am**, all the assignments for the day will be assigned to your child under “Classwork” tab and under the topic for that specific week. **All assignments are due on Friday by 5pm.**
- **Every Friday**, students can access feedback on assignments turned in the *previous* week.
- **Office Hours:** Monday to Thursday 2:35pm-3:30pm

For Parents:

- **Every Friday by 6pm**, I will send a newsletter with updates on how to prepare for the next week.
- **Contact Me:** If you need to contact me please email me. I am able to respond to emails from 8:30 to 4:30 on weekdays.
- **Office Hours:** Monday to Thursday 2:35pm-3:30pm

Additional Resources

- **Tech Help:** Having computer issues please [click here](#).
- **Language Services:** District websites can be translated in multiple languages. Use the drop-down menu at the top of the [EPS homepage](#) to select "translate this page," and a Google translate window will open. You can then select the language needed.

Your child will need to use their student email and ID number to access any of our online platforms.
