

Evergreen Family News!

January 13, 2023

Hello Evergreen families,

I hope everyone has enjoyed their weekend and are well rested for the week ahead. There were some spots of beautiful weather this weekend and I know I certainly took advantage of the sunshine!

We will begin using Student Conductor Tuesday after first period. Student Conductor is a hall pass and tracking system for tardies. If a student is late to class (arriving to class after the bell rang) they will go to one of the kiosks and type their lunch number into a key pad. A hall pass will be printed and students will use that pass to get into their class. When a pass is printed for a student, an email is sent home to alert that student's caring adult that their student has been tardy to class. The pass will indicate whether there are consequences for that tardy or not. After two written warnings student will receive a consequence for each additional tardy. These start small but they add up quickly. Consequences range from lunch detention, community service oriented tasks, parent conference, and after school detention. Another school in our district has had fantastic results with this. We are very excited to help students get into class and make the most of their learning time!

Students will be taking their iReady reading assessment this Wednesday and Thursday. This assessment will show how much progress they have made this year with their reading skill development. More details are below. Please help your child to get enough rest this week and remind them to make sure their Chromebook is charged. Thank you for your support.

As always, if you have any questions or would like more information, give the office a call. You are welcome to reach out to your admin team as well!

Warmly,

Sara Idle
Principal
