

Weekly Learning Targets

Math: I can add and subtract three digit numbers using place value blocks and expanded form!

Reading: I can identify the main idea of a story and its supporting details!

Word Work: I can identify high-frequency words in a text!

Writing: I can plan and write a fictional narrative using a rubric!

Science: I can teach someone how to reduce, reuse, and recycle!

Weekly Learning Overview

Welcome to another fabulous week of learning in 2nd grade! On the next slide, you will see your learning board for this week. Everything you need for your daily learning is linked on the board. Please make sure and watch any videos posted BEFORE beginning an assignment.

Your *required assignments* for the week are listed here. Make sure you go to your Google Classroom to complete the assignments and turn them in by Friday so your teacher can give you feedback!

- ❑ Watch [this video](#) on how to access your Reach book and other resources on myNGConnect from home!
- ❑ Reading: Watch [this video](#) to learn about main idea and the two options for this week's assignment (Reach book online or low-tech).
- ❑ Math: IMPORTANT!! Watch [this video](#) to learn how to represent base 10 blocks online.
- ❑ Math: Watch [this video](#) to learn about adding hundreds. Then, complete Math Task 1 and Math Task 2 in your Google Classroom.
- ❑ iReady Math: 45 minutes per **week**
- ❑ iReady Reading 45 minutes per **week**
