#welcome to fifth

I am SO happy to be your 5th grade teacher! I have so many fun & engaging units planned for your last year of elementary. It's going to be out of this world! I know this is not a normal school year, but we will work hard to create a virtual classroom community that values ALL members and is a safe, encouraging space for everyone. Let's work together to make this a positive year to remember. You are all rock stars!
