

CEDAR WOOD FRIDAY FAMILY CONNECTIONS

October 23, 2020

Thank you for all the input and discussion at the Let's Connect Zoom Meetings this week. This information is valuable as we navigate through this year. I appreciate all of you and so thankful to be partnering with you

- **For All Students:** Did you know that during school closure that all children ages 1-18 can receive free lunches? Each week you just fill out the order form and then pick up the lunches on Wednesday from the School you selected. To order lunches you must do it before Monday at 12pm each week. If you need help with this or have questions please contact Amy Famelos-Villars or Grace Iverson, School Counselors.

If you need help or have questions please email Cedar Wood School Counselors. The application page is linked below.
