NORTH MIDDLE SCHOOL NEWSLETTER

March 2020

VOLUME 3, ISSUE 6

From the Principal

Welcome to March, NMS community! This is an exciting time of year with moving away from the cold and rain, and into warmer weather and the sun. It's also the time of year when we begin making preparations for the next school year, both for our returning students and for our students moving on to high school. Students are now learning about course offerings for their next steps, and we will soon begin meeting with our incoming 5th graders to show them how exciting middle school will be. We are looking forward to working with our families and students to plan their next steps.

March is also the month that we ask for useful feedback for our planning, in the form of our Educational Effectiveness Surveys. This is a critical tool for us, which is used to give us information from the staff, students, and community. I will be sending a survey link to all NMS families later this month, and ask everyone to give us their input on how we can continue to make NMS a wonderful place for our students. This will not take longer than ten minutes, and will give us valuable feedback for how we can build better partnerships with our community, and continue our focus on meeting the needs of every student. Thank you for your continued support!

Thank you, all!

Happy March NMS Families!

At our February PTA meeting we were joined by guest speaker Valerie Cunningham from the ESD Special Education PTSA. She is the co-president of the district Special Ed PTSA as well as the Special Ed Liaison for the Everett PTA Council. Did you know that the Special Ed PTSA serves all schools in the Everett School District? They provide advocacy and education, support and resources to all schools and PTA's to help make all the schools in the Everett School District more inclusive for all. Another major part of their mission is to provide support and resources to families and students who have students needing special education services. They can provide assistance with student IEP's, family resources and more. Please visit the ESD Sp Ed PTSA site at <http://www.everettptsacouncil.org/esd-special-ed-ptsa> visit them on Facebook at <https://www.facebook.com/EverettSpecialEducationPta/> or contact Valerie directly at valcunningham25@gmail.com, for more information.

At our January meeting we had David Jones from the Citizens Committee for the Everett Public Schools present to us the specifics regarding \$317.4 million bond measure on the April 2020 ballot. This measure will provide necessary funding to build permanent classroom space to accommodate growth, improve safety & security and make vital school improvements. Please visit www.everettsd.org/bond2020 to watch the video presentation for further details and don't forget to vote in April!
