HAWTHORNE ELEMENTARY SCHOOL NEWSLETTER

December 2023

From the Principal

Hello Hawthorne Families!

It's hard to believe that 2023 is coming to an end. This past year has been full of growth, reconnection, and increased opportunity for students. We are so thankful for the partnership between school and home. The families that have attended our nighttime academic events, joined our Parent Teacher Association and Natural Leaders. As we look to the new year, 2024, our goals remain the same. To help students develop their independent learning skills, create strong learning partnerships with students, and build a community of learners. If you are interested in volunteering at the school, please feel free to reach out by calling the main office at (425)385-4600 or email me at jellsworth@everettsd.org.

In the month of December, we have many exciting events to share. Our Literacy Night on Dec. 7th will focus on the joy of reading and bringing reading into the home. On Dec. 14th, our kindergarten students are going to sing and act out the story of the Gingerbread man. On Dec. 15th our PTA will be hosting another Night on the Ice at the Angels of the Wind area. We look forward to celebrating the coming of winter with you all. Stay safe and warm out there.

As we enter the winter months, it is important to remember our plans for inclemental weather. Everett Public Schools uses their automated communication systems to communicate school closures and delayed starts when the roads are too icy. Please make sure you have an updated phone number in our Family Access Center, so you get those automated phone calls and text messages. If the weather is really bad and you have not gotten a call, it is always a good idea to check the district website as well.

Thank you to all of the parents, guardians, and family members that attended our parent/teacher conferences in November. It was great to see and hear about student success, goals for the remainder of the year, and the relationship building between school and home. During the long winter break between Dec. 18 and Jan. 1st, please make sure to have your child read, practice their math facts, and complete lessons in their I-Ready pathway.

Thank you,
Jacob Ellsworth

The gift of attendance

Absences spike in the weeks before and after the winter holidays as families squeeze in a few more vacation days. Just a few missed days here and there, even excused absences, can add up and lost learning time can put your child behind in school. This is as true in kindergarten as it is in high school. Put simply, too many absences at any age can affect a student's chances for academic success and eventually for graduation. This holiday season give your children the gift of an education and the habit of attendance.

Every day of school is an important opportunity for students to learn as well as to connect with their peers and teachers. As long as your child is healthy, please encourage showing up to class when school is in session.

If your child is absent, please email the school at their attendance email address, which you can find on the school website. If email is not possible, and even if you leave a message with the school attendance line, please send a written note to the school office within 30 days after your student returns to school.

Guaranteed Admissions Program

WASHINGTON Guaranteed Admissions Program

Everett Public Schools (EPS) is in its second year partnering with the Washington Guaranteed Admissions Program (WAGAP), which guarantees admission to Central Washington University, Eastern Washington University, The Evergreen State College, Saint Martin's University, University of Washington Tacoma, Washington State University and Western Washington University, and its first year partnering with the Automatic Admissions Partnership, which guarantees admission to Pacific Lutheran University to help students meet their college and career goals.

To be eligible for guaranteed admissions to the eight participating institutions, students must have or be on track to earn by graduation a 3.0 GPA (3.3 for Pacific Lutheran University) and complete the college academic distribution requirement coursework. The primary objective of this collaboration is to reach students who may have never contemplated pursuing a college education or didn't consider themselves college ready. The partnership is committed to nurturing the college and career aspirations of Washington's students. If a student dreams of earning a bachelor's degree, there is a place for them at one of the state's public baccalaureate institutions or two of the state's private universities.

In EPS, 560 seniors were identified this fall as guaranteed admission eligible (446 for Pacific Lutheran University) and received acceptance notifications. After receiving the letter, students then complete an admission application and additional requirements by the institution. The guaranteed admission program does not provide financial aid or cover the cost of college, so students will need to complete the FAFSA or WASFA and contact the financial aid office of the colleges for financial aid and scholarship information.
