# Sound Boxes

Sound boxes are a great way to help your students listen to each sound in a word and segment the phonemes they hear. Every box represents a sound or phoneme. Each picture in this pack is a CVC word so there are three boxes for each picture.

ways to use:

There are many ways to use the cards. Use them the best way that you see fit for your students.

1. Use letter tiles/magnets in each box.
  2. write the letters in each box with dry erase marker/
  3. Use a counter to "push" the sounds in the box as they say each sound.
  4. Any other way you see fit to use with your students.
- Options are endless.

These cards are great to use in small groups, centers, and RTI time.

Hope you find these cards useful in you classroom and I hope your students enjoy them! If you have any questions please email me at: [BigIdeasForLittleHands@yahoo.com](mailto:BigIdeasForLittleHands@yahoo.com)
