School meals for 2023-24

This school year, our school will have a paid meal program, however, any student in grades K-12 who qualify for reduced lunch will receive their meal for free. Essentially, there is no longer a “reduced” lunch category as all free and reduced meals are simply free. Families can apply for free and reduced meals by [filling out the online form](#).

We are so excited to be able to use this program to offer free meals to the students in our district who may need some extra support and to all of our students, no matter where they learn, we will continue to offer nutritious and delicious meals that include seasonal fresh fruits and vegetables, scratch-made whole grain foods and lean proteins, with vegetarian and gluten free options too.

There has never been a better time to eat school meals. We look forward to serving you soon.

Harvest of the Month

This month, the Food and Nutrition Department brings you kale grown in the PNW! Be sure to give it a try this month in our cabbage patch soup or kale Caesar salad! Did you know that just one serving of kale has more vitamin C than an orange? Find out more by checking out the Harvest of the Month flyer on the district [website](#). Don’t kale my vibe!

Accompanying kale this month are stone fruits, which can be found in the Garden Spot and include nectarines, peaches, apricots, plums and more! They have a thin skin and a “stone” in the center, called the pit or seed. Stone fruits can boost immunity, promote healthy nerves, muscles, bones and teeth.

ECEAP preschool accepting applications for 2023-24

Everett Public Schools Early Childhood Education & Assistance Program (ECEAP) is a FREE preschool program for three- and four-year-old children from families with limited income. ECEAP prepares children for kindergarten and provides family support and health and nutrition services. It is funded by the Washington State Department of Children, Youth and Families.

The six ECEAP sites within our school district are Cedar Wood, Hawthorne, Jackson, Lowell, Madison, and Silver Lake elementary schools. We have both school-day classroom schedules and half-day (a.m. and p.m.) classroom schedules, depending on the school location. Space is limited – apply early! For an application or more information, please visit the [district ECEAP website](#) or call 425-385-4628.

Kids in Transition program

Kids in Transition (KIT) program supports students who qualify for two federal programs which provide support for children and youth whose housing is highly mobile: those who meet the more inclusive definition of homeless under the federal [McKinney-Vento Homeless Act](#) and those who are eligible for [Foster Care Education support](#).

Students who are in foster care placement (where a child welfare agency has placement, care and authority) or those who are without a fixed, regular and adequate nighttime residence may qualify for this additional support.

The KIT program works to eliminate barriers to students' academic success and extra-curricular involvement. We ensure eligible students have access to free school meals, school supplies and uniforms. KIT may help students access extended day or summer school classes or coordinate access to additional academic support or tutoring when needed. The KIT Program may also cover, or coordinate waivers for, fees required to take part in activities such as school-sponsored sports, clubs, and required class fees. KIT can also help set up transportation for eligible students to maintain school stability, as long as the commute is feasible and in the best interest of the student. We also partner with the Family Resource Center and other community agencies to connect families and students to resources as needed.

Last year, Everett Public Schools served over 1,350 students through our KIT support at some time during the school year. For more information, visit www.everettsd.org/KIT to learn who your school's KIT support staff is; or contact the KIT Office at 425-385-4032.

Student opportunities and activities eflyers

We use *Peachjar* to email approved flyers from community organizations to parents and guardians. Schools also post those flyers on their websites. Look for the Peachjar button in the *Quicklinks* section of your school home page to see those flyers. You can also register there to have those flyers delivered to your email address if you aren't already receiving them.

Backpacks for students in need

Do you know a family who might be in need this year? Stuff the Bus for Kids ensures each child in Everett Public Schools starts the school year prepared to learn. In August, the EPS Foundation delivered over 3,000 backpacks, filled with school supplies, and are making them available to any Everett Public School student who may need extra assistance.

Students in need of a backpack, please reach out to your school to receive your supplies. Backpacks are available for pick up at each school.

Safety tip line

Do you or your student have a concern about someone experiencing bullying or harassment?

Report it! You can talk directly with your school's office, or you can call, text or email your concern.

If there is reason for concern about safety on a designated walkway to school, call 9-1-1 immediately for authorized, quick help. We have strong partnerships with local law enforcement

who share our interest in safe schools and neighborhoods. Student safety is a priority for all of us. Working together, we can help make our neighborhoods and schools nurturing places for students to safely learn and grow.

School safety begins with teamwork

Everett Public Schools recognizes that schools should be a place where our students, staff and community feel safe. Teamwork makes this possible. We employ security staff and school resource officers (SROs) who work collaboratively with our school communities to ensure safety and security across the district.

Safety and security staff work to build healthy, positive relationships with our students, staff and community to ensure a safe school environment for learning.

Campus Security Officers (CSOs) perform checks of campuses during school hours to prevent unauthorized access, deter illegal activity, assist with investigations, assist with student supervision and share information with staff and students concerning safety measures.

School Resource Officers (SROs) are police officers that serve secondary school campuses while schools are in session and partner with principals to improve safety by identifying, investigating, deterring and responding to incidents that present a significant threat to safety and security.

District Security Staff perform checks of campuses after hours and on weekends to prevent unauthorized access, ensure campuses are secure, deter illegal activity and respond to alarm notifications.

For more information, visit www.everettsd.org/safety.

Access to public records

The district's records may be requested by the public, and many records are fully or partially available for public viewing. As our business is most often about students, families, and staff, some of the information contained in certain records may be protected under federal and state privacy laws.

For additional information related to district [public records policy](#) and [procedures](#), including how to make a public records request, please visit our district public records webpage at <https://www.everettsd.org/publicrecords>.

Your student's records are confidential

Everett Public Schools is serious about protecting student records and privacy. The district uses multiple security measures to safeguard student transcripts and other education-related records. Only those teachers, administrators and other staff members who work directly with students (and have an educational need to know) have access to individual student records. Staff members are required to maintain confidentiality of all information in a student's records. To view or request copies of your own student's records, please [contact the office of the school your student attends](#).
